### **Appointment of Mr. Alain Depuydt to the Advisory Board**

**Toronto ON, Geneva CH, October 2, 2024** – HoldCo Markets Advisory Inc (HCM) is pleased to announce the appointment of Alain Depuydt to its Advisory Board.

Mr. Depuydt is the co-founder of Vierny Partners SA, a Swiss based independent asset manager providing in-house discretionary portfolio management for HNWI and UHNWI.

“I have known Alain since 2008 and am thrilled to bring an individual with such investment acumen on to the Advisory Board. As we continue to build partnerships on both sides of the Atlantic, Alain’s knowledge of the mining sector coupled with the Swiss financial landscape will be a net benefit to both ourselves and our clients alike” said Michael Wichterle, HCM Director. “As we build out our product offering to clients, we continue to value individuals with high integrity along with prior knowledge and experience with investing in the precious metals, base metals and uranium sectors”.

An engineer by trade, Alain has previously worked in Belgium and eastern Europe. Following and MBA from IMD Lausanne, Alain embarked on a career in private banking, highlighted by numerous years at Credit Suisse (Geneva). He co-founded Vierny Partners SA in 2009.
